Job Description and Duties

This position may be filled at one of the following State Fund locations: Pleasanton, Sacramento and Vacaville.

Are you an analytical problem-solver who thrives on tackling technical challenges, improving systems and processes, and empowering others through training and support?

State Fund's IT Network Operations - Cloud Operations – Network Infrastructure Service Unit has an opening for an Information Technology Associate (ITA) Network Analyst.

Under the general supervision of the Information Technology Manager I, the Information Technology Associate supports the daily operation, maintenance, and troubleshooting of State Fund's non enterprise data networks, including Wi-Fi, IoT devices, REM wall tablets, and related networked equipment. The incumbent performs routine to moderately complex technical tasks following established procedures and standards. The work supports network reliability, system functionality, and customer service for internal users. Complex or unusual issues are escalated to senior technical staff.

Key responsibilities include, but are not limited to the following:

- Provide Tier 2 and Tier 3 support by troubleshooting routine connectivity or configuration issues and escalating issues that require advanced analysis.
- Monitor system alerts, perform initial triage, and take corrective action within established guidelines.
- Assist team in carrying out assigned portions of implementing approved technological solutions.
- Maintain accurate documentation of routine network changes, installations, and configurations under supervision.

Support team members by providing basic technical assistance and communicating issues to ser staff. The ideal candidate is expected to:

- Deliver exceptional customer service and responsive technical support
- Communicate effectively with internal and external stakeholders at all levels
- Build and maintain effective, cooperative working relationships with those contacted in the course of work
- Successfully work independently with minimal supervision while maintaining accountability and accuracy
- Be flexible, adaptable, and collaborative in a dynamic environment

You will find additional information about the job in the **Duty Statement**.

Special Requirements

Effective July 1, 2025, the State of California implemented the Personal Leave Program 2025 (PLP 2025) which reduces an employee's monthly salary in exchange for leave credits. Employees appointed to this classification will have their monthly salary reduced and will accrue hours of PLP 2025 on the first day of each pay period in accordance with the applicable bargaining contract. The salary range(s) included on this job posting do not reflect the reduction in pay.

To be considered, you must provide a fully completed STD 678 application, resume, and/or statement of qualifications if required. Alternative documents submitted in lieu of required Application, Resume, or Statement of Qualifications will not be accepted.

Completed STD 678 must include duties performed, start and end dates, and hours worked per week for each position held.

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list eligibility, are in the process of obtaining list eligibility, have LEAP eligibility, or have SROA and/or Surplus eligibility may be considered.

Artificial intelligence (AI) tools such as ChatGPT, website searches, and third-party reviewers can be helpful in researching responses to the SOQ; however, by submitting your application for this position, you understand and acknowledge the SOQ you submit is your own work, in your own words, and accurately reflects your knowledge, skills, abilities, and experiences. Submitting an SOQ that is not your own may be cause for disqualification from the hiring process.

Application Instructions

Completed applications and all required documents must be received or postmarked by the Final Filing Date in order to be considered. Dates printed on Mobile Bar Codes, such as the Quick Response (QR) Codes available at the USPS, are not considered Postmark dates for the purpose of determining timely filing of an application.

Final Filing Date: 7/19/2026

Who May Apply

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list or LEAP eligibility, are in the process of obtaining list eligibility, or have SROA and/or Surplus eligibility (please attach your letter, if available). SROA and Surplus candidates are given priority; therefore, individuals with other eligibility may be considered in the event no SROA or Surplus candidates apply.

Applications will be screened and only the most qualified applicants will be selected to move forward in the selection process. Applicants must meet the Minimum Qualifications stated in the Classification Specification(s).
