Department of Social Services

JC-521660 - Security Audit & Compliance Specialist
INFORMATION TECHNOLOGY SPECIALIST I

$6,513.00 - $10,537.00 per Month
New to State candidates will be hired into the minimum salary of the classification or minimum of alternate range when applicable.

Final Filing Date: 6/25/2026

Job Description and Duties

This is a 12-month limited-term position and may be extended to a maximum of 24-months and/or may become permanent based on operational needs.

If you have a passion to be a part of a team that works to serve, aid and protect needy and vulnerable children and adults in ways that strengthen and preserve families then is this is the place for you!

The Information Systems Division works in collaboration with programs and county agencies, to provide solutions to systems that assist families access essentials such as, but not limited to, medical services, care providers, groceries, and transportation.

The Department of Social Services, Information Systems Division (ISD), Information Security & Privacy Office (ISPO) is seeking an Information Technology Specialist I (ITS I) to support cybersecurity, audit readiness, risk management, and compliance functions. This position plays a key role in preparing the Department for external audits and assessments by coordinating the collection and validation of technical documentation, maintaining risk and compliance records, researching regulatory requirements, and supporting the implementation of security controls.

The ITS I analyzes audit and compliance data, develops reports and metrics, evaluates security standards, and collaborates with technical teams to improve documentation quality, strengthen control effectiveness, and enhance enterprise security posture.

Duties include:
• Coordinating the gathering, organization, and validation of audit documentation and technical evidence for external oversight reviews.
• Maintaining audit logs, risk registers, compliance repositories, and tracking corrective actions to support ongoing remediation efforts.
• Compiling technical metrics, summaries, and dashboards that support reporting to secu leadership and program stakeholders.

• Researching cybersecurity standards and regulatory requirements and summarizing impacts for team and leadership awareness.
• Participating in audit preparation activities, technical meetings, and documentation reviews to support audit readiness.
• Drafting, editing, and preparing technical reports, checklists, procedures, and compliance documentation under the guidance of senior specialists.

Working Conditions

This work location is very convenient! The CDSS is located two blocks from the light rail and public transportation: within walking distance to the State Capitol, parks, restaurants, farmer's markets and the Golden 1 Arena. Our building has easy access to I-5, Highway 50 and Highway 80.

This position is eligible for hybrid work in accordance with the Governor's Executive Order N-22-25 and at the sole discretion of the Department of Social Services under California Government Code Section 14200. All telework schedules are subject to change and may be re-evaluated at any time. The incumbent will be expected to report for in office work and attend work related in-person events as deemed operationally necessary. Telework does not change the terms and conditions of employment, the essential functions of job duties, or required compliance with the CDSS policies. For positions advertised in more than one location, headquarter location may be designated on the selected candidate's primary residence location, and/or the closest CDSS location in accordance with operational need and available space. The successful candidate must reside in California upon appointment.

Please note: Regular commute is not compensable.

Department Information

Are you interested in making a difference in the lives of fellow Californians while achieving your career goals? Do you set high standards for yourself and enjoy a collaborative and challenging work environment? The mission of the California Department of Social Services is to serve, protect, and support the people of California experiencing need in ways that empower wellbeing and disrupt systemic inequities. The vision of the California Department of Social Services is to provide quality services with a commitment to an inclusive, diverse, and equitable California where all people can thrive.

The Information Systems Division's (ISD) mission is to develop, support, and promote the business value of IT through reliable, cost-effective business processes.

The Information Security & Privacy Office mission is to provide management and oversight of the CDSS Information Security and Privacy Program ensuring protection of CDSS information assets and compliance with state and federal policies and laws.

CDSS Guiding Principles

Diversity. Equity. Inclusion. Accessibility. Belonging.
We ensure opportunities for everyone to participate in a meaningful way in fulfilling the mission and vision of CDSS.

Community Engagement
We prioritize the lived experiences of community members as a driving force behind the creation, implementation, desired impact, or change of programs and services.

Empowerment
We engage, operate, and advocate from the understanding that each community and person have desires and capabilities to lead in their own life.

Quality Services
We provide services that align intent and

impact by ensuring that they are accessible, community driven, interconnected, and continuously improved.

Data Defined Outcomes
We equitably collect and analyze data, take data-driven action, and measure outcomes relevant to those we serve, ensuring transparency and accountability.

Special Requirements

- The position(s) require(s) a Background Investigation be cleared prior to being hired.

Do not include any confidential information in any documents (i.e., application, resume, or transcripts) you submit for this job vacancy. Confidential information that should be excluded or removed from these documents include but is not limited to: Social Security Number (SSN), birthday and/or age, photos, student/other ID number, driver's license number (unless required), basis of eligibility, exam results, LEAP status, and marital status. Confidential information submitted via a CalCareer Account (electronic application) is automatically redacted upon submission.

This position is subject to fingerprinting clearance by the Department of Justice.

You are required to complete employment history on the application form (STD 678). You may be disqualified from the hiring and selection process if the employment history is inaccurate or incomplete. Resumes will not take the place of employment history.

If you are meeting minimum qualifications with education, you must include your unofficial transcripts for verification. If selected, you may be required to provide official transcripts at the time of hire.

Training and Development assignments may be considered based on the availability of eligible candidates and are subject to approval by the Hiring Authority prior to the appointment. Training and Development assignments are temporary in nature and shall not exceed twenty-four (24) months.

Candidates who reside outside of the State of California may be admitted to the job interview, but they must provide proof of residence in California prior to being eligible for appointment.

Application Instructions

Completed applications and all required documents must be received or postmarked by the Final Filing Date in order to be considered. Dates printed on Mobile Bar Codes, such as the

Quick Response (QR) Codes available at the USPS, are not considered Postmark dates for the purpose of determining timely filing of an application.

Final Filing Date: 6/25/2026

Who May Apply

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list or LEAP eligibility, are in the process of obtaining list eligibility, or have SROA and/or Surplus eligibility (please attach your letter, if available). SROA and Surplus candidates are given priority; therefore, individuals with other eligibility may be considered in the event no SROA or Surplus candidates apply.

Applications will be screened and only the most qualified applicants will be selected to move forward in the selection process. Applicants must meet the Minimum Qualifications stated in the Classification Specification(s).

How To Apply

Complete Application Packages (including your Examination/Employment Application (STD 678) and applicable or required documents) must be submitted to apply for this Job Posting. Application Packages may be submitted electronically through your CalCareer Account at www.CalCareers.ca.gov. When submitting your application in hard copy, a completed copy of the Application Package listing must be included. If you choose to not apply electronically, a hard copy application package may be submitted through an alternative method listed below:

Address for Mailing Application Packages

You may submit your application and any applicable or required documents to:

Department of Social Services

08:00 AM - 05:00 PM

Required Application Package Documents

The following items are required to be submitted with your application. Applicants who do not submit the required items timely may not be considered for this job:

- Current version of the State Examination/Employment Application STD Form 678 (when not applying electronically), or the Electronic State Employment Application through your Applicant Account at www.CalCareers.ca.gov. All Experience and

Education relating to the Minimum Qualifications listed on the Classification Specification should be included to demonstrate how you meet the Minimum Qualifications for the position.
- Resume is optional. It may be included, but is not required.

Applicants requiring reasonable accommodations for the hiring interview process must request the necessary accommodations if scheduled for a hiring interview. The request should be made at the time of contact to schedule the interview. Questions regarding reasonable accommodations may be directed to the EEO contact listed on this job posting.

Desirable Qualifications

In addition to evaluating each candidate's relative ability, as demonstrated by quality and breadth of experience, the following factors will provide the basis for competitively evaluating each candidate:

- Knowledge of information security standards and frameworks such as NIST SP 800-53, NIST RMF, SIMM 5300, SSA TSSR, and IRS Pub 1075.
- Experience supporting audits, assessments, or compliance reviews, including evidence collection, documentation, or control validation
- Ability to analyze technical documentation, security controls, and system information for completeness, accuracy, and alignment with requirements.
- Strong organizational skills with the ability to track audit tasks, risk registers, corrective actions, and multiple work streams.
- Effective written and verbal communication skills, with the ability to clearly document findings and summarize research.
- Proficiency with Microsoft Office tools (Word, Excel, Teams) for preparing reports, tracking metrics, and collaboration.
- Capacity to work independently on assigned tasks while seeking guidance appropriately.
- Demonstrated reliability in meeting deadlines and managing multiple assignments.
- Experience working collaboratively with technical teams, program staff, and stakeholders to gather information and support audit readiness.
- Commitment to maintaining confidentiality and exercising sound judgment in handling sensitive information.
- Strong analytical and problem-solving skills with attention to detail when reviewing documentation or data.
