Job Description and Duties

Under the general supervision of the Information Technology Supervisor II, the Information Technology Associate (ITA) serves as the Security Operations Associate. The ITA assists in the implementation, administration, configuration, operation, and maintenance of security technologies and processes. The incumbent helps monitor and protect technology systems and networks, identifies potential risks, and supports routine security tasks necessary for maintaining an effective security posture. Work is performed in alignment with Department of Developmental Services (Department) policies and Statewide standards.

Effective July 1, 2025, State employees are subject to a salary reduction of three percent in exchange for five hours per month of the Personal Leave.

You will find additional information about the job in the **Duty Statement**.

Working Conditions

Work is performed in an open-office environment with partitioned workspaces. Extended use of computer systems and related technology. Availability for 24/7 on-call and weekend support as required. Occasional travel for business-related activities.

Under Government Code 14200, this position is a hybrid, in-office/telework position, and may be subject to change. Incumbent can be required to report to the office, or any designated location at any time. Telework agreements can be modified and/or cancelled at any time. All commute expenses to the reporting location will be the responsibility of the selected candidate.

Pursuant to California Government Code requirements, candidates must be residents of the State of California at the time of appointment.

This position requires lawful authorization to work in the United States. The Department does not sponsor employment visas for this position

Special Requirements

The Statement of Qualifications (SOQ) must be typed in 12-point Arial font, single spaced, include one-inch margins, and be no more than two pages in length. Applicants who fail to answer the question below or submit an SOQ may not be considered.

Describe your experience supporting Security Operations activities, including monitoring security tools, analyzing alerts or logs, performing initial triage of security incidents, and assisting with basic forensic data collection under supervision. Include specific tools or

methods you used, your role in incident handling, and how your work contributed to improving security processes.

NOTE: Artificial intelligence (AI) tools such as ChatGPT, website searches, and third-party reviewers can be helpful in researching responses to the SOQ; however, by submitting your application for this position, you understand and acknowledge the SOQ you submit is your own work, in your own words, and accurately reflects your knowledge, skills, abilities, and experiences.

If you are using list eligibility from an on-line exam to qualify for this position, you ***MUST*** include with your application any documentation (i.e., copy of transcript, degree, license, etc.) to verify meeting the MQ's or you may *not* be considered for the position.

The MQs will be verified prior to interview and/or appointment. If it is determined that an applicant does not meet the MQs of the classification, the applicant may not be considered and withheld from the eligible list.

Application Instructions

Completed applications and all required documents must be received or postmarked by the Final Filing Date in order to be considered. Dates printed on Mobile Bar Codes, such as the Quick Response (QR) Codes available at the USPS, are not considered Postmark dates for the purpose of determining timely filing of an application.

Final Filing Date: 8/9/2026

Who May Apply

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list or LEAP eligibility, are in the process of obtaining list eligibility, or have SROA and/or Surplus eligibility (please attach your letter, if available). SROA and Surplus candidates are given priority; therefore, individuals with other eligibility may be considered in the event no SROA or Surplus candidates apply.

Applications will be screened and only the most qualified applicants will be selected to move forward in the selection process. Applicants must meet the Minimum Qualifications stated in the Classification Specification(s).
