Resume		Required	View

Item Name	Description	Requisite	View File
Statement of Qualifications	A Statement of Qualifications (SOQ) is required and must be submitted with your application to be considered for this position. A resume does not take the place of the SOQ. Applications without an SOQ will not be considered. Artificial Intelligence (AI) tools can be useful in the development of written responses; however, it is important to use these tools responsibly and ethically. Where assistive tools may be used, responses within the SOQ should be your own original work. Applicants must write in their own words and avoid plagiarism. Failure to comply may be cause for disqualification. Create a document no more than two pages, using Arial 12-point font, and margins on the top, bottom and sides of the pages need to be one inch. Each page needs to include your name with “Statement of Qualifications” appearing below your name: Prompt: Describe your customer service philosophy and include detailed examples of how you have applied your customer service philosophy in previous positions.
