Secretary of State

JC-500603 -
Information Technology Specialist I
INFORMATION TECHNOLOGY SPECIALIST I

$6,513.00 - $10,537.00 per Month
New to State candidates will be hired into the minimum salary of the classification or minimum of alternate range when applicable.

Final Filing Date: 12/17/2025

Job Description and Duties

The Office of the Secretary of State is recruiting to fill a permanent full-time Information Technology Specialist I (ITS I) position in the Information Technology Division (ITD).

Under the general direction of the Client Services Supervisor (Information Technology Supervisor II), the Information Technology Specialist I (ITS I) performs a variety of complex technical activities in support of the new Notary Application Program (NAP) 2.0. The incumbent will provide 1st and 2nd level desktop support such as hardware and software deployments, ensure consistent application of IT policies and procedures, and serve as the primary technical support liaison to the NAP team. The incumbent should possess a high degree of personal communication skills, and a high degree of initiative to lead and complete assigned projects; and resolve incidents using various IT related technical and problem-solving tools.

Desirable Qualifications:

- Experience with Help Desk ticketing system.
- Familiarity with network protocols, system configuration, troubleshooting, and basic security practices.
- Proficient with hardware support (desktops, laptops, printers, iPhones).
- Experience supporting Microsoft Office 365, SharePoint, One Drive, and Device Management.
- Experience providing support for remote users.
- Must be able to work independently or in a team environment.
- Strong analytical and problem-solving skills, including good research skills.
- Strong interpersonal skills to assist non-technical individuals with complex techni issues.
- Strong ability with documenting and writing procedures.

Supplemental Questionnaire: The response to the Supplemental Questionnaire questions listed below must be typed in business professional font style, font size and margins. Your entire response should be no more than two pages in length and must be numbered in the order of the questions listed below. The response must clearly state the total years of experience (and civil service classification, if applicable) performing each of the factors in the evaluation criteria. **Applications submitted without the Supplemental Questionnaire will not be considered.**

Applicants must answer the following questions:

1. Describe your knowledge, skills, and abilities in troubleshooting IT technical issues.
2. Describe a time when you made improvements to a business process.

You will find additional information about the job in the **Duty Statement**.

Working Conditions

This position provides telework opportunities based upon the agency's telework policy and business needs. Please note that this position may require overtime after the close of business including weekends and may require some travel. All employees who telework are required to be California residents in accordance with Government Code 14200, and may be required to report to the Secretary of State's Office, when needed. Candidates who reside outside of the state of California may be interviewed; however, the selected candidate must have a primary residency in the state of California prior to appointment (and continue to maintain California residency) as a condition of employment. Failure to meet this requirement may result in the job offer being rescinded.

Minimum Requirements

You will find the Minimum Requirements in the Class Specification.

Department Information

The Office of the Secretary of State (SOS) consists of nearly 750 dedicated public servants who uphold the rights of Californians while also striving to make our government, elections, and businesses both accessible and transparent. Led by an elected leader, accountable to the public, we are dedicated to fostering career development opportunities and growing a skilled workforce that embraces inclusion and values diversity.

Located in downtown Sacramento, the SOS building is within walking distance to a variety of eateries and amenities. Light Rail, State Capitol, Downtown Commons (DOCO), and Golden 1 Center, just to name a few. Conveniently located in the SOS building, the Gold Rush Grille offers delicious daily specials for breakfast or lunch and is open to the public. Our on-site childcare incorporates programs for children six weeks to five years old. Priority waitlist access and special discounted rates are available for SOS employees

For more information about the SOS, please visit sos.ca.gov.

Special Requirements

- The position(s) require(s) a Background Investigation be cleared prior to being hired.

BACKGROUND CHECK REQURIED
This position will perform Software Engineering work related to Notary Automation Project 2.0 (NAP 2.0) will require a background check due to frequent access to sensitive data on Notaries Public and applicants, including Criminal Offender Record Information (CORI). The employee in the position will develop and support applications that specialized Notary staff use to assess a candidate's appropriateness to become a Notary Public, including review of personal data and criminal records. The employee will troubleshoot and monitor secure data exchanges with partners such as Department of Justice (DOJ), requiring them to review, transfer or backup sensitive data.

Authorization to Conduct background checks for this position falls Under (PC 11105.001,

filed with the Secretary of State on September 17, 2025, Permissive Authority. It complies with SAM 5305.4, SAM 5365 and SIMM 5305-A. The process stated in Government Code section 12952 will be followed prior to denial of hiring for a position based on background check.

Examination Information: Candidates new to state service or those seeking a promotional opportunity must take the online examination to establish eligibility. The examination can be found at the following link: CalCareers - ITS I Exam

There is also a Limited Examination & Appointment Program (LEAP) exam available for this classification. Information on the LEAP certification process is available on the Department of Rehabilitation LEAP Certification website.

Education: When using education to meet minimum qualifications, education must include the specified Information Technology or closely related coursework. Please include all the required documents necessary to verify that you meet the minimum qualifications for this classification (i.e., degree, transcript, license, and certificate). If your degree is not in one of the specified degrees as stated in the Class Specifications, please provide a copy of your most recent unofficial transcripts to be evaluated for comparability. Candidate may be required to provide a transcript prior to hire.

Application Instructions

Completed applications and all required documents must be received or postmarked by the Final Filing Date in order to be considered. Dates printed on Mobile Bar Codes, such as the Quick Response (QR) Codes available at the USPS, are not considered Postmark dates for the purpose of determining timely filing of an application.

Final Filing Date: 12/17/2025

Who May Apply

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list or LEAP eligibility, are in the process of obtaining list eligibility, or have SROA and/or Surplus eligibility (please attach your letter, if available). SROA and Surplus candidates are given priority; therefore, individuals with other eligibility may be considered in the event no SROA or Surplus candidates apply.

Applications will be screened and only the most qualified applicants will be selected to move forward in the selection process. Applicants must meet the Minimum Qualifications stated in the Classification Specification(s).
