Job Posting: ESEC Security Analyst

State Compensation Insurance Fund

JC-520469 -
ESEC Security Analyst
INFORMATION TECHNOLOGY SPECIALIST I

$6,513.00 - $10,537.00 per Month
New to State candidates will be hired into the minimum salary of the classification or minimum of alternate range when applicable.

Final Filing Date: 6/24/2026

Job Description and Duties

Are you an experienced Security Analyst? Are you ready to take the next step in your career? If so, consider an opportunity at State Fund.

State Fund's Enterprise Security Technical unit has an exciting opportunity for a Security Analyst! The selected candidate will work under the leadership of the Enterprise Security Management and Chief Information Security Officer (CISO).

In this role the Enterprise Security Analyst will:

- Develop and deliver information security awareness training to the State Fund using multiple media
- Conduct simulated phishing campaigns and perform analysis
- Investigate and analyze incoming suspicious attempts and make recommendations to stakeholders
- Evaluate complex security incident response and forensic analysis
- Analyze threat intelligence and recommend mitigating controls for new and persistent threats
- Interface with all State Fund programs and advise on projects' security risks and mitigating controls
- Train new team members including, but not limited to security awareness, incident response, forensic, and threat intelligence related to tickets/cases
- Coordinate and consult with software vendors for product utilization including evaluating vendor software packages
- Develop/maintain information security processes, procedures, job aids, etc. in alignment with security frameworks as needed
- Assist on security compliance objectives as needed

Location:
This position may be filled in any of the following locations:
Los Angeles, Bakersfield, Eureka, Fresno, Oxnard, Pleasanton, Redding, Riverside, Rohnert Park, Sacramento, San Diego, Stockton, or Vacaville.

Candidates should apply to the office location that best aligns with their residence, as periodic in-office attendance may be required based on operational needs.

This position may also require occasional work outside of normal business hours, including evenings or weekends, to support security incident response or other critical business needs.

You will find additional information about the job in the **Duty Statement**.

Working Conditions

The successful candidate must reside in California upon appointment.

Selected candidate(s) hired may be required to attend in-person Onboarding at our Vacaville office with expenses for attendance paid by State Fund.

Minimum Requirements

You will find the Minimum Requirements in the Class Specification.

Department Information

State Fund is California's largest provider of workers' compensation insurance. Established in 1914 by the state legislature, we offer diverse and comprehensive products and services that provide a strong and stable option for employers and injured employees with fast, reliable claims service and medical and indemnity benefits.

Our culture centers on our purpose and values. We exist to provide fairly priced workers' compensation insurance, make workplaces safe, and restore injured workers. To fully represent California, we are committed to our employees by embracing and celebrating our diverse workforce and fostering inclusion to make the workplace a dynamic environment for all. We recognize and reward high performance yet value a healthy work/life balance.

Department Website: http://www.statefundca.com

Special Requirements

Effective July 1, 2025, the State of California implemented the Personal Leave Program 2025 (PLP 2025) which reduces an employee's monthly salary in exchange for leave credits. Employees appointed to this classification will have their monthly salary reduced and will accrue hours of PLP 2025 on the first day of each pay period in accordance with the applicable bargaining contract. The salary range(s) included on this job posting do not reflect the reduction in pay.

To be considered, you must provide a fully completed STD 678 application, resume, and statement of qualifications. Alternative documents submitted in lieu of required Application, Resume, or Statement of

Qualifications will not be accepted. Completed STD 678 must include duties performed, start and end dates, and hours worked per week for each position held.

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list eligibility, are in the process of obtaining list eligibility, have LEAP eligibility, or have SROA and/or Surplus eligibility may be considered.

Artificial intelligence (AI) tools such as ChatGPT, website searches, and third-party reviewers can be helpful in researching responses to the SOQ; however, by submitting your application for this position, you understand and acknowledge the SOQ you submit is your own work, in your own words, and accurately reflects your knowledge, skills, abilities, and experiences. Submitting an SOQ that is not your own may be cause for disqualification from the hiring process.

Application Instructions

Completed applications and all required documents must be received or postmarked by the Final Filing Date in order to be considered. Dates printed on Mobile Bar Codes, such as the Quick Response (QR) Codes available at the USPS, are not considered Postmark dates for the purpose of determining timely filing of an application.

Final Filing Date: 6/24/2026

Who May Apply

Individuals who are currently in the classification, eligible for lateral transfer, eligible for reinstatement, have list or LEAP eligibility, are in the process of obtaining list eligibility, or have SROA and/or Surplus eligibility (please attach your letter, if available). SROA and Surplus candidates are given priority; therefore, individuals with other eligibility may be considered in the event no SROA or Surplus candidates apply.

Applications will be screened and only the most qualified applicants will be selected to move forward in the selection process. Applicants must meet the Minimum Qualifications stated in the Classification Specification(s).

How To Apply

Complete Application Packages (including your Examination/Employment Application (STD 678) and applicable or required documents) must be submitted to apply for this Job Posting. Application Packages may be submitted electronically through your CalCareer Account at www.CalCareers.ca.gov. When submitting your application in hard copy, a completed copy of the Application Package listing must be included. If you choose to not apply electronically, a hard copy application package may be submitted through an alternative method listed below:

Address for Mailing Application Packages

You may submit your application and any applicable or required documents to:

State Compensation Insurance Fund
Talent Acquisition/Staffing
Attn: JC-520469 TS
2275 Gateway Oaks Drive
Sacramento, CA 95833

Address for Drop-Off Application Packages

You may drop off your application and any applicable or required documents at:

State Compensation Insurance Fund
Talent Acquisition/Staffing
Attn: JC-520469 TS
2275 Gateway Oaks Drive
Sacramento, CA 95833
08:00 AM - 05:00 PM

Required Application Package Documents

The following items are required to be submitted with your application. Applicants who do not submit the required items timely may not be considered for this job:

- Current version of the State Examination/Employment Application STD Form 678 (when not applying electronically), or the Electronic State Employment Application through your Applicant Account at www.CalCareers.ca.gov. All Experience and Education relating to the Minimum Qualifications listed on the Classification Specification should be included to demonstrate how you meet the Minimum Qualifications for the position.
- Resume is required and must be included.

Applicants requiring reasonable accommodations for the hiring interview process must request the necessary accommodations if scheduled for a hiring interview. The request should be made at the time of contact to schedule the interview. Questions regarding reasonable accommodations may be directed to the EEO contact listed on this job posting.

Desirable Qualifications

In addition to evaluating each candidate's relative ability, as demonstrated by quality and breadth of experience, the following factors will provide the basis for competitively evaluating each candidate:
As a successful candidate, we are looking for candidates with the following skills and/or experience:

- Proficient in effective communication across all organizational levels, adept at engaging with technical team members as well as senior leadership
- Advanced experience of emerging security risks
- Working experience with complex security incident response and forensic analysis
- Working knowledge and understanding of information security risks and mitigations
- Experience in developing/writing policies, guidelines, standards, and procedures
- Advanced working knowledge and understanding of security frameworks (e.g., NIST, ISO, PCI, etc.)
- Proficient knowledge in developing reporting and metric structure
- Proficient knowledge of Microsoft Office Products (e.g., Excel, Word, and

PowerPoint)
- Certifications such as CISSP are a plus
